Dear FANOS,

How are you? Long time to you from where
you are back to me I am fine from Soroti.

I am by writing this letter to thank you for
your supporting that you made to me in my education
and other things like food and clothes. Our family
members are very so happy for your great support for
me and they have said may you continue supporting
until I finish my studies this year and if possible
may you help me for another level. and all members
of the family said may the Lord Jesus Christ
bless you from wherever you are.

And also thank you for great effort of your support
for paying my school fees this term as I am at school
may God bless you.

We are greatly okay for the case of health may be
other cases like headache.

Even all the staff of RKHH VTI is very happy for your
support you made to them and they said may the Lord bless
you.

My dear friend I have been learning and I have
learnt very many things and I can now do by myself but
~~any one thing that has~~ and I wanted you to help me after
